

## Internal Quality Assurance Cell:

The IQAC plays a significant role in the teaching-learning process. The IQAC has regular meetings with Faculty Council and Academic Council in which activities relating to the academic development of the students such as regular lectures, guest lectures, seminars, workshops, co-curricular activities, study tours, etc. are discussed. Problems faced, remedial measures and new methods of teaching/learning are discussed in Academic Council and suggestions are tried and implemented if found useful. The IQAC also looks into the feedback obtained from the students on faculty, curriculum, infrastructure, etc. and suggests suitable steps for improvement.
